CALICEM UNVEILS THE DESIGN OF ITS BACK-LABEL FOR THE 2016 VINTAGE

Tradition continues. After 'Whirlpool', which was the theme of the 2015 back-label design, 'Observation' is the theme for vintage 2016 of CALICEM.

'Observation' is all about curves and movement; the drawing is delicate and ethereal. It contains a small fragment of text, the continuation of the poem of CALICEM introduced in the first vintage of the cuvée in 2015. The poem will continue to adorn each forthcoming vintage of CALICEM.

We crafted only 1,776 bottles of CALICEM in the 2016 vintage, along with a few large formats. Each bottle has been numbered by hand.

CALICEM 2016 is all about finesse and silkiness. It was crated from the berries of the old merlots planted in 1961 on the Rivalon outcrop. Ageing - almost 24 months in new large oak casks ('demi-muids') - was long to 'tame' the naturally concentrated berries.

Dense, complex, but never overpowering, the finish of CALICEM 2016 is thinly iodine and salivating, the trademark of its identity across vintages.
