### **COUVENT DES JACOBINS WELCOMES THE BORDEAUX AQUITAINE ASSOCIATION OF SOMMELIERS**

Couvent des Jacobins was honored to welcome the Bordeaux Aquitaine Association of Sommeliers, who came to the domaine on Monday 14 October 2019.

The guests deep dived into the world of Couvent and its nearly 650 years of history through a visit of the *cuvier*, the ageing cellar, the underground cellar and during which we shared our latest projects.

We ended this excellent moment around a relaxing brunch and a tasting of the wines of the domaine: Menut des Jacobins vintage 2014, Couvent des Jacobins vintages 2015, 2012 and 2008. We also did a jump into history with Couvent des Jacobins vintages 1998 and 1978 that came directly from the family's back vintage library.

The Team at Couvent was also delighted to introduce to these wine aficionados the first vintage of our cuvée CALICEM, vintage 2015.

We wish to extend our warmest thanks to all our guests for this very nice moment spent together !
