### **COUVENT DES JACOBINS IS STARTING REFURBISHMENT ON ITS NEW GUESTHOUSE AT JACQUEMEAU**

Refurbishment works are starting at « Jacquemeau », at a house located on the estate and that we are converting into a guesthouse. The guesthouse is designed to cater for the special needs of visitors with reduced mobility.

The large majority of the ancient features of the current house, typical of the vine-worker houses in Bordeaux, will be maintained. The house will also be enlarged. It will possess five comfortable and completely independent bedrooms of 16 to 35 square meters each. The guesthouse will also have a large room of nearly 70 square meters that can accommodate tastings and seminars. We will be able to welcome up to 12 guests at a time.

The guesthouse is located at the heart of the vineyard of Couvent des Jacobins (currently undergoing organic certification) and with an unblocked view over the Southwest hill. We wish it to become a peaceful place for our guests, less than 2 kilometres away from the village of Saint-Émilion.

The guesthouse of Jacquemeau complements the wine tourism offer of Couvent, a pioneer of wine tourism in Saint-Émilion given its unique location at the heart of the village. The guesthouse will open in 2020.
